- Weight: 370 g (295 g for ASAP and 75 g for OK TRIACT-LOCK)

Brand: Petzl, made in France

Model: Asap

MOBILE FALL ARRESTER WITH LOCKING FUNCTION

- The ASAP LOCK mobile fall arrester is designed to facilitate manipulations during rope ascents. In case of shock or sudden movement, the fall arrester locks on the rope and stops the user.
- Constant fall protection:
 - arrests falls, slides, and uncontrolled descents
 - works on vertical or angled rope
 - locks on the rope even if grabbed during fall
- Integrated locking function allows the user to immobilize the device to reduce the length of a fall. In case of a strong wind, this function also prevents the rope from being blown upward.
- Simple to use, and effective:
 - moves up or down the rope without any manual manipulation of the device
 - easy to install and remove at any point on the rope
 - connection arm makes the system loss-resistant when passing intermediate anchors
 - is used with an ASAP'SORBER energy absorbing lanyard to work at a distance from the rope

Brand: Petzl, made in France

Model: Asap Lock
