

RESCUE CLIMBING HELMET

- Excellent protection for work at height:
 - shock absorption achieved through deformation of the outer shell
 - strong chinstrap (more than 50 daN) limits the risk of losing the helmet during a fall
- Very comfortable to wear:
 - six-point textile suspension conforms perfectly to the shape of the head
 - CenterFit adjustment system adjusts the headband and keeps the helmet centered on the head
 - Vent holes with sliding shutters allow the ventilation to be adjusted as needed, while wearing the helmet.
 - comes with two sizes of headband foam
- Many accessories are available in order to adapt the helmet to its use:
 - PIXA or ULTRA VARIO headlamp (front and back slots)
 - headlamp with elastic headband (headlamp clips)
 - VIZIR, VIZIR SHADOW or VIZEN protective shield (side inserts)
 - hearing protection (side slots)

Brand: Petzl, made in France

Model: Vertex Vent

Specifications:

- Weight: 455 g
