

RESCUE GLOVES

- These lightweight belay/rappel gloves combine the durability of a work glove with the precise fit and dexterity of a thinner glove.
- Back is made of abrasion resistant, breathable stretch nylon, ensuring comfortable fit.
- Natural, high-quality leather
- Durable double layer of leather in high-wear areas (fingertips, palm, between thumb and index finger)
- Neoprene cuff with Velcro closure
- Carabiner hole to attach gloves to harness
- Available in size XS - XL, black or beige

Specifications:

- Material(s): goat skin leather, stretch nylon
- Certification(s): CE EN 420, CE EN 388 (3133), EAC

Brand: Petzl, made in France
Model: Cordex

- Lightweight gloves conceived for belay and double rope use, they combine the strength of a work glove with the precision and sensitivity of a thin glove.
- Excellent also for use in work and rescue situations.
- The double-layered leather protects the most exposed parts of the hand.
- The elastic back, made with breathable nylon, is abrasion-resistant and ensures optimum wearability and comfort.
- Elastic wrist with Velcro closure.
- Made of smooth and soft leather for a perfect balance between strength and sensitivity.
- Reinforced thumb and index finger, with special rubber for durability during rope handling.
- Available in 4 sizes from S to XL.
- Certified to CE EN 388 (4-2-4-3).
- Recommended use for: Rescue, firebrigades, civil protection, helirescue, rope access

Brand: Kong, made in Italy

- Two layers of synthetic leather for durability and comfort. Premium synthetic leather palm and fingertip patches
- Kevlar stitching and neoprene padded knuckles. Incredible fingertip dexterity allows knot untying without removing gloves
- Materials: Palm: black synthetic leather/yellow special synthetic leather, padded EVA. Back: red compounded spandex, neoprene knuckle. Cuff: elastic cuff, pvc Velcro
- CE certificate of EN 388 3242

Brand: Proteger, made in China
Model: Rescue Gloves

- Genuine cowhide leather Reinforced palm patch
 - Extends wear and enhances grip
 - Keystone thumbs offer flexibility and freedom of movement.
 - Patented pre-curved design for the ultimate in fit and comfort.
 - Makes our pre-curved gloves the most comfortable you can buy.
 - The longer glove back pattern required make this more expensive leather construction.
 - The shorter palm pattern lets the leather hug the palm eliminating bunching of excess material in the area.
 - This allows more natural, freer hand movement and the meas less hand fatigue.
- 100% recyclable
